

INTERNATIONAL SCIENCE PROGRAMME ISP

ISP Book Seminar

Research Capacity Building in Asia

What are the results of three decades of research cooperation between the North and the South? Welcome to a book presentation by Rebecca Andersson and Marta Zdravkovic on ISP's long-term collaboration with research groups in Sri Lanka and Thailand. Tracing PhD graduates, looking at outcomes and finding the way forward.

When? 14 February 2018, 14.15-15.15

Where? Husargatan 3, Biomedical Centre, Uppsala University
