Dr Corine Karema is the former Director of the Rwanda National Malaria Control Programme (NCP) where she served in this role for 10 years. From 2011–2016 she was also the head of Malaria & Other Parasitic Diseases Division – Rwanda. She is currently a consultant (Malaria Senior Programme Officer) at the African Leaders Malaria Alliance (ALMA) where she supports NCPs and Ministries of Health in achieving key malaria targets.

Panelists:
Assoc Prof Noushin Emami (SU)
Prof Mats Wählgren (K)
Assoc Prof Billy Ngasala (UU; MUHAS)
